Corato, 23 agosto 2014

Dear friends,

The Association Luisa Piccarreta on behalf of the Archbishop of Trani and in collaboration with the local public administration is organizing the 4th International Conference on the Servant of God Luisa Piccarreta in Corato, which will be held April 22 (day of arrival) to April 26, 2015 (departure after lunch).

Many of you have told us that you want to participate and want to accompany groups of the faithful. We see in all a great enthusiasm and a desire to participate in this important event on the 150th anniversary of the birth of our Luisa.

With great satisfaction, we have already received numerous confirmations of participation, anticipating our most optimistic expectations. These signs of such strong interest for this event make us very happy but equally aware of our need to give all participants the best stay possible, by ensuring your participation in the conference with name tag and entry pass, by organizing accommodations and meals in hotels very close to the conference. We would like to ensure that the same costs and quality of service are offered to everyone.

For this reason we need your cooperation. In fact, as already mentioned in our previous communication, it is preferable that the hotel and restaurant reservations are made through our Association, so that everyone can receive the best service possible. For this reason, we do not recommend that you contact the places of service (accommodation and meals) yourself directly so that you can enjoy all the services that are being prepared and which would otherwise be more difficult and expensive to access.

In a few days we will send more information about the fees along with the registration form and the arrangements for payment. It will also be possible to make multiple reservations for groups.

I invite all to pray that everything will be done in the Divine Will, and our meeting will ascend to Heaven with so much glory to the Holy Trinity.
