

**“When All have Prayed,
Even Our Very Divine Attributes,
We, Triune God, Confirm the Gift”**

(V35 – 9.26.37)

**ROUND of
THE DIVINE ATTRIBUTES**

WITH

**THE LITTLE DAUGHTER
OF THE DIVINE WILL**

LUISA PICCARRETA

**The Blessed Virgin Taught Luisa Six Steps
of How to Live In the Divine Will
From the first six days of
The Virgin Mary in the Kingdom of the Divine Will
Heavenly Father, with the Holy Spirit, following Our Lady's
Lessons in union:**

- **(Step one)** With Luisa, I sacrifice my human will in honor of God.
- **(Step two)** With Luisa, I empty myself of my human will to constitute the Divine Will as Principle of Life of my soul.
- **(Step three)** With Luisa, I decide with a firm resolution to no longer give life to my human will.
- **(Step four)** With Luisa, I give to You, my God, my human will as proof, giving my “Fiat!” and my acceptance of Your test.
- **(Step five)** With Luisa, I make the sacrifice of living without my human will and bind it to the Foot of the Divine Throne of God, for my entire life, without ever giving life to my human will.
- **(Step six)** O Most Holy Divine Fiat, in Unity with Luisa, allow my soul to take possession of all the Divine Qualities as much as is possible and imaginable for a soul.

I ask this through Christ our Lord. Amen.

V20 – 11.20.26 – “I was doing my round in the Creation according to my usual way, in order to follow the Acts of the Supreme Will in It. But while I was doing this, my Always Lovable Jesus, letting me hear His Most Sweet Voice, in each Created thing, told me **“Who is calling My Love, so that either My Love may Descend into her, or her own may ascend into Mine, so as to Fuse themselves Together, Form One Single Love, and to give My Love the Field of Action in order to make Arise in the soul the New little sea of her love? My Love Triumphs and Celebrates, because it is given Its Outlet and Its Field of Action.”**”

As I moved into the sun, into the heavens, into the sea, I kept hearing His Voice saying **“Who is calling My Eternal Light, My Infinite Sweetness, My Incomparable Beauty, My Unshakeable Firmness, My Immensity, in order to form their cortège and give them the Field of Action to make Arise in the creature as many Seas of Light, of Sweetness, of Beauty, of Firmness, and So Forth - to give them the contentment of not being kept idle, but of using the littleness of the creature in order to Enclose All of Their Qualities in her? Who is she, then? Ah! It is the little daughter of Our Will.”**

Then, after I heard Him say to me, in each Created thing, “who is calling Me?”, my Sweet Jesus came out from within my interior, and Claspng me All to Himself, told me **“My daughter, as you go around in My Will, to follow It in each Created thing, All of My Attributes Hear your call and Enter the Field in order to Form, each one of them, the Little Sea of their Qualities. O! how They Triumph in seeing Themselves Active – being Able to Form each One its Own Little Sea. But their Highest Pleasure and Delight Increases in being Able to Form in the little creature Their Seas of Love, of Light, of Beauty, of Tenderness, of Power, and So Forth. My Wisdom Acts as a Talented Artisan and with Marvelous Ingenuity, in Placing Its Immense and Infinite Qualities in the littleness. O! how the soul who Lives in My Will harmonizes with My Attributes. Each One of Them takes on its Office in order to Establish its Divine Quality. If you knew the Great Good that Comes to you by following My Will in All of Its Acts, and the Crafting It Carries Out in you, you too would feel the Joy of a Continuous Feast.”**

V32 – 4.9.33 - Then, after this, I continued my acts in the Divine Fiat, and following Its Acts I arrived at Eden, where the Divine Love made me pause, and the Sovereign Jesus added **“My blessed daughter, Our Divine Being is Most Pure Light, and Our Attributes as**

Many Suns, One Distinct from the Other, but Unified Together and Inseparable, Forming a Circle Around Us. Now, in Creating the creature, she was placed in these Immense Suns to Form her little road. Now, who comes to form this little road? **One who Lives of Our Will. Our Divine Attributes line up to her right and to her left, they make room for her, to give her access and let her walk, to let her form her little road. And as she walks she does nothing other than gather Drops of Light, with which she remains all studded, such that it is an Enchantment to see her. So, she nourishes herself with Light, the Light Embellishes her, and she knows nothing else, nor can she speak of anything else but Light. My Attributes Press around her, and they Love this creature as the apple of Their Eyes; they feel her life in Them, and Their Life in her, and they take on the Task of Raising her as Beautiful as They can, and of not letting her take one step outside of the road that They have Formed for her within their Interminable Light. So, one who Lives in Our Will can be called ‘the little road in the Divine Will’.** This, in time, but in Eternity the road will not be little, but long; or rather, these creatures will never stop, because this Light has no end, and they will always have some road to walk, to take New Beauties, New Joys, New Knowledges, of this Light that never ends. Our Love Showed off More than ever in this Eden in Creating man; and for the Fulfillment of Our Display, and to Keep him More Safe, We Formed for him the road to be covered within the Light of Our Attributes. But he went out, because he did not want to do Our Will. But Our Goodness was So Great, that it did not close this road, but left it Open for anyone who wants to Live only of Divine Will.”

V35 – 9.26.37 – “...And when All have Prayed - Even Our Very Divine Attributes - We Confirm the Gift; the Prayer of this creature becomes Universal, and each time she Prays, she has Such Power that All Our Things Pray, Even Our Attributes, because in that Gift she has received the Right over All. What cannot be Obtained with this Gift of Prayer? It can be said that the Heavens Move, and that Our very Being Feels Enthralled and Bound; and It Surrenders...”

V36 – 11.20.38 – “You Must Know that the more Acts the creature does In our Will, the more she Enters Into God; the More We Extend that Little Field Within Our Divine Womb, the More beautiful the Works We can Do, and the More We can Give of Ourselves. Therefore, the

creature is always under the Increasing Action of Our Divine life. Our Love for her is So Great that We Carry her in Our Arms, Continuously Repeating ‘We Make you in Our Image and Resemblance.’ We Nurture her with Our Divine Breath, with Our Sanctity, Power and Goodness; We Look at her, Finding Our Reflection, Our Wisdom, Our Enchanting Beauty. **How could We Ever stay without this creature if We are Tied Together by Our Divine Attributes - if she possesses Us and continuously gives Us in return what We Gave her, in order to Love and Repay Us?** Beyond this, by Living In Our Will she received from Us the Virtue of Producing Life - not works. In fact, by Giving her Our Sanctity, Love, and Everything else, We Give her the Generative Virtue; she Continuously Generates Life of Sanctity, Life of Love, Life of Light, Beauty, Power and Wisdom, offering It to Us. She surrounds us and never stops Returning to Us - Turning Into Life, All that We Gave her. O! What a Conception, what a Feast and Glory for Us, in Seeing So Many Lives Returned to Us, which Love and Glorify Our Sanctity; and Seeing this done In Our Light, Wisdom and Beauty. Other creatures can give us, at the most, works of sanctity and of love, but not of Life. Only one who Lives In Our Will can Form Many Lives with her Acts, because she has Received from Us the Generative Virtue - to be able to Generate as Many Lives as she wants, and say ‘Life You Gave me, Life I Give back to You.’

Fiat!

**In the Name of the + Father, and of the + Son,
and of the + Holy Spirit. Amen.**

Prayer of Consecration to the Holy Divine Will

O Adorable and Divine Will, here I am, before the Immensity of Your Light, that Your Eternal Goodness may Open to me the Doors, and make me enter into It, to Form my Life all in You, Divine Will.

Therefore, prostrate before Your Light, I, the littlest among all creatures, Come, O Adorable Will, into the little group of the First Children of Your Supreme Fiat. Prostrate in my nothingness, I Beseech and Implore Your Endless Light, that It may want to Invest me and Eclipse everything that does not belong to You, in such a way that I may do nothing other than Look, Comprehend, and Live in You, Divine Will.

It shall be my Life, the Center of my intelligence, the Enrapturer of my heart and of my whole being. In this heart the human will shall no longer have life; I shall banish it forever, and shall form the New Eden of Peace, of Happiness, and of Love. With It I shall always be Happy; I shall have a Unique Strength, and a Sanctity that Sanctifies Everything and Brings Everything to God.

Here prostrate, I Invoke the Help of the Sacrosanct Trinity, that They Admit me to Live in the Cloister of the Divine Will, so as to Restore in me the Original Order of Creation, just as the creature was Created. Celestial Mother, Sovereign Queen of the Divine Fiat, take me by the hand and Enclose me in the Light of the Divine Will. You shall be my Guide, my tender Mother; You shall Guard Your child, and shall Teach me to Live and to Maintain myself in the Order and in the Bounds of the Divine Will. Celestial Sovereign, to Your Immaculate Heart I Entrust my whole being; I shall be the tiny little child of the Divine Will. You shall Teach me the Divine Will, and I shall be Attentive in Listening to You. You shall lay Your Blue Mantle over me, so that the infernal serpent may not dare to penetrate into this Sacred Eden to entice me and make me fall into the maze of the human will.

Heart of my Highest Good, Jesus, You shall Give me Your Flames, that they may Burn me, Consume me, and Nourish me, to Form in me the Life of the Supreme Will.

Saint Joseph, You shall be my Protector, the Custodian of my heart, and shall keep the keys of my will in Your hands. You shall keep my heart Jealously, and shall Never give it to me again, that I may be sure Never to go out of the Will of God.

Guardian Angel, Guard me, Defend me, Help me in Everything, so that my Eden may Grow Flourishing and be the Call of the whole world into the Will of God.

Celestial Court, come to my Help, and I Promise You to Live Always in the Divine Will.

Amen.

Prayer For the Glorification of the Servant of God Luisa Piccarreta

O August and Most Holy Trinity,
Father, Son and Holy Spirit,
we Praise and Thank You for the Gift of the
Holiness of Your faithful servant

Luisa Piccarreta.

She lived, O Father, in Your Divine Will,
becoming under the Action of the
Holy Spirit, in Conformity with Your Son,
Obedient even to the Death on the Cross,
Victim and Host pleasing to You, thus
Cooperating in the Work of Redemption of mankind.

Her Virtues of Obedience, Humility, Supreme Love
for Christ and the Church, lead us to ask You for the Gift of her
Glorification on earth,
so that Your Glory may Shine before all, and Your Kingdom of
Truth, Justice and Love, may spread all over the world in the
particular charisma of the

Fiat Voluntas Tua sicut in Caelo et in terra.

We appeal to her merits to obtain from You,
Most Holy Trinity
the particular Grace for which we pray to You
with the intention to fulfill Your Divine Will.

Amen.

Glory Be to the Father, to the Son and to the Holy Spirit. As it was in
the beginning is now and will be forever. Amen (**Three Times**)

Our Father...

Queen of all Saints, pray for us.
