in the Sovereign Queen and Lady.*

From V36 – 8.15.38

**Abba Father
In the Name of Jesus,
In the Unity and Power of the Holy Spirit
Under the Mantle of Mary, Our Sovereign Queen
With all the Angels and Saints,
Through the intercession
of the Servant of God Luisa Piccarreta,**

O Jesus, Our King and our God
through our little mama Luisa,
we ask for Divine Healing,
as we await the Promise of Your Divine Will to Reign in us.

We Consecrate ourselves today
on this Most Beautiful, Most Sublime
and Greatest Feast of the Assumption of
Our Blessed Mother into Heaven.
This is the Feast in which You, Triune God,
remain Glorified, Loved and Honored the Most!

Our Lady's Seas of Love and Power flow everywhere,
along with the many Divine Lives,
of which Our Lady is Possessor and Queen.
With this, Our Lady can give Her God to all,
because She Possesses Him.

O Jesus bestow upon us
Your Divine Healing that we are so much in need of.
May Your Divine Healing come upon all
who are disposed to receive Your Divine Will.
May Our Lady, the Sovereign Queen,
Who has the Virtue of Reproducing
the Divine Lives that She Possesses,
give Divine Life to Her little children through Luisa.

O Jesus, You told Luisa that the Heavenly Father wants
to give The Divine Will
to Reign in the midst of creatures,
and Our Lady in Your Will wants this as well.
We too want this, and so we need to be Divinely Healed.

O Jesus, Our Lady wants to give Her children
what She Herself Possesses,
and by Divine Love She shall Win God and Her children.
With this Consecration, we implore You
for Divine Healing so that Our Lady's Desires
may be Accomplished and Fulfilled within us.

O Jesus it is Your Own Divine Will that asks
for what the Sovereign Queen wants.
The Divine Will Reigning in Our Lady Ties You with Eternal Bonds,
therefore, You can refuse Her nothing.
We, the little children of the Holy Divine Will,
want what Our Blessed Mother Wants,
that we be Divinely Healed,
in order to Possess
what She Possesses in Your Most Holy Will.

O Jesus, the Feast of the Assumption
is the Most Beautiful One,
it is the Feast of Your Divine Will
Operating in Mary, The Great Lady,
making Her So Rich and Beautiful that
the Heavens cannot contain Her.

O Jesus, as Our Lady Lived in the Most Holy Divine Will,
we pray You, together with Our Lady,
Revealer of Your Divine Sanctity,
and with our little mama Luisa,
to Divinely Heal us,
so that we may Live in Your Most Holy Divine Will,
and become a Portent of Your Glory.

**We pray You to please take our humble prayer and make it Your Command,
that all may be Accomplished and Completed in Your Most Holy Divine Will!**

We Believe! We Receive!

Fiat!

Amen!

So be It!

August 15, 1938 – Volume 36 - *The Feast of Assumption is the Most Beautiful, the Most Sublime Feast. It is the Feast of the Divine Will Operating in the Heavenly Queen.*

While my mind was swimming in the Sea of the Divine Will, I stopped at the Act in which my Mother and Queen was Assumed into Heaven. How many Wonders, how many Enrapturing Surprises of Love. And my sweet Jesus, as if He felt the need to speak about His Celestial Mother, all festive told me: **“My blessed daughter Luisa, today is the Feast of Assumption. This is the Most Beautiful, the Most Sublime, the Greatest Feast, in which We remain Glorified, Loved and Honored the most! Heaven and earth are invested with an unusual Joy, never before felt. The Angels and the Saints feel as if invested with New Joys and New Happiness, and they all praise with New Songs the Sovereign Queen who, in Her Empire, Rules over all, giving Joy to all!**

“Today is the Feast of feasts—the Unique One, the New One, which was never repeated again. **Today, the Day of the Assumption, celebrated for the first time the Divine Will Operating in the Sovereign Queen and Lady;** the Marvels are enchanting in each of Her smallest Acts, even in Her Breathing, in Her Motion. Many of Our Divine Lives can be seen flowing in Her Act as many Kings that, more than bright suns, inundate—surround and embellish Her—making Her so Beautiful as to form the Enchantment of the Celestial Regions. Do you think it's nothing that each one of Her Breaths, Motions, Works and Pains were filled with many of Our Divine Lives? This is exactly the Great Prodigy of My Will Operating in the creature: to form a Divine Life for each time It could enter the motion and the acts of the creature. Then, since My Fiat possesses the Virtue of Bilocation and Repetition—doing again and again without ceasing everything She does—so the Great Lady feels these Divine Lives multiplied within Herself, that do nothing other than further extend Her Seas of Love, Beauty, Power and Infinite Wisdom! You must know that the Divine Lives She possesses are so Great and so many that, upon entering Heaven, they crowded the whole Celestial Region and, being impossible to contain them, they filled the whole Creation as well. **Therefore, there is no place where Her Seas of Love and Power do not flow, along with the many of Our Lives of which the Virgin Mary is Possessor and Queen.**

“We can say that She Dominates Us and that We Dominate Her. By clothing Herself with Our Immensity, Power and Love, she populated all Our Attributes with Her Acts and with the many of Our Divine Lives that She had Conquered! Therefore, from every place and everywhere, We feel Ourselves being Loved and Glorified—inside and outside of Ourselves, from within all created things, in the most remote hiding places—by this Celestial Creature and by those same Divine Lives that Our Fiat formed in Her.

O! Power of Our Will, only You can do such Prodigies to make Us Loved and Glorified as We deserve and want—to the extent of Creating many of Our Lives in the one who lets You Dominate.

This is why the Virgin Mary, can give Her God to all, because She possesses Him. Even more, when She sees a creature disposed to receive Our Will, without losing one of Our Divine Lives, She has the Virtue of Reproducing, from within these Divine Lives that She possesses, yet another of Our Divine Lives to give to whomever she wants.

“This Virgin Queen is a continuous Prodigy. What She did on earth, She continues in Heaven; because, when the Divine Will Operates, both in the creature and in Ourselves, Her Acts

never end, and, while remaining in It, they can be given to all. Does the sun, perhaps, cease to give its light to the human generation because it has given too much of it? Not at all. Even if it has given much, it is always rich in its light, and does not lose a single drop of it. Therefore, the Glory of this Queen is Insuperable because She possesses Our Operating Will, that has the Virtue of forming in the creature Eternal and Infinite Acts. She Loves Us always and unceasingly with Our Lives that She possesses. Our Lady Loves Us with Our own Love. Our Lady Loves Us everywhere. Her Love Fills Heaven and earth and runs to pour Itself inside Our Divine Womb. And We Love Her so much that We cannot Live without Loving Her. While, in Loving Us, The Virgin Queen Loves all, making everyone Love Us. How could We resist and not give Her anything She wants? **It is Our own Will that asks for what The Virgin Mary, Mother and Queen of Heaven and earth wants, tying Us with Its Eternal Bonds so that We can refuse Her nothing. This is why the Feast of the Assumption is the Most Beautiful one: it is the Feast of My Will Operating in this Great Lady, making Her so rich and Beautiful that the Heavens cannot contain Her. Even the Angels remain speechless, and don't know how to describe what My Will does in the creature.**"

After this, while my mind remained stupefied in thinking about the Great Prodigies that the Divine Fiat Worked and continues to Work in the Celestial Queen, my beloved Jesus added: "My daughter Luisa, The Virgin Queen's Beauty is unreachable. It enchants, it charms, it conquers. Her Love is such that She offers Herself to all, Loving all—leaving behind her Seas of Love. She can be called Queen of Love, Winner of Love, because She Loved much, and through Love She won Her God. You must know that, by doing his will, Adam broke the bonds with his Creator and with all created things. By the Power of Our Fiat, that The Virgin Mary possessed, this Heavenly Queen tied Her Creator to the creatures; tied all beings together—United them—put them back in Order and with Her Love, gave New Life to the human generations. Her Love was so Great as to cover and hide, inside Its Seas, weaknesses, evils, sins—the creatures themselves. O! If this Holy Virgin did not possess so much Love, it would be difficult for Us to look at the earth. Only Her Love makes Us look at It, but **We want to give Our Will to Reign in the middle of the creatures because The Virgin Queen wants it so. The Virgin Mary wants to give to Her children what She possesses, and by Love The Virgin Queen will Win Us and Her children.**"

August 15, 1928 - Volume 24 - *The Virgin: Her insuperable glory. The Sanctity in the Divine Will known in Heaven.*

"So, in the Virgin, the Saints Know what Sanctity of Divine Will in the creature means, and therefore they long for More creatures to bring these Seas into the Celestial Fatherland, so as to see More Waves being Formed, Enchanting and of Greater Enjoyment for them. *The earth does not yet Know the Sanctity in My Will, and this is why I So Much Yearn to Make It Known;* but It is Well Known to Heaven because there is Sovereign Queen Who, by merely seeing Her, **makes Herself Revealer of the Sanctity of My Fiat.** So, by Virtue of It, She was Portent of Graces on earth for Herself and for the whole human family, and She is Portent of Glory in the Celestial Fatherland, nor can any other creature be said to be Similar to Her."

Fiat!
